PREPARATORY COMMITTEE FOR THE
UNITED NATIONS CONFERENCE ON
ENVIRONMENT AND DEVELOPMENT
First session
Nairobi, 6-31 August 1990

INFORMATION FOR PARTICIPANTS

Venue for the session

1. The first (substantive) session of the Preparatory Committee for the United Nations Conference on Environment and Development will take place at the United Nations Office at Gigiri, Nairobi, situated 15 kilometres from the city centre.

P.O. Box 30552 Nairobi
Telephone: 33-39-30
Telex: 22068 UNEPKE
Telefax: (2542) 520711

Registration

2. Participants are requested to complete the registration form which they will find at the registration desk. Security arrangements require that identification badges be worn at all times at the United Nations Office at Nairobi. Badges will be distributed on the first day of the meeting.

Nairobi International Airport (arrival and departure formalities)

3. Jomo Kenyatta International Airport is situated 16 kilometres (a 20-minute drive) from the city centre. It is a modern airport providing Kenya with an international air junction served by some 25 airlines with flights to every part of the world.

4. Transport to hotels is available at participants' expense. The fare from the airport to the city centre by the Kenya Airways airport bus in March 1990 was 60 Kenyan shillings. Taxis are also readily available. The taxi fare from the

airport to the city centre is approximately KSh 270. Shared taxis run by Kenatco also charge KSh 270.

5. Upon leaving Nairobi, delegates will have to pay the airport departure tax in foreign currency ($US 20 or the equivalent in any of 16 international currencies).

Entry formalities

(a) Passport and visas

6. All travellers arriving in Kenya should have a valid passport. Kenyan entry visas are not required for nationals of a number of countries. Participants are therefore advised to ascertain whether or not they are exempt from the Kenya entry visa requirement. Those who are not exempt should apply for visas well in advance from Kenyan Embassies or High Commissions, which will issue them upon presentation of documentation showing that the applicants are designated representatives to the first session of the Preparatory Committee. In countries where there is no Kenyan Embassy or High Commission, the British Embassy or High Commission will generally represent Kenya, and be in a position to issue visas.

(b) Health

7. A valid yellow fever vaccination certificate is required for participants arriving from infected areas. Smallpox vaccination is no longer required. Cholera vaccination is required for arrivals from infected areas. There are still some cases of cholera in certain districts of Kenya outside Nairobi and it may therefore be advisable for participants to have a valid cholera vaccination certificate, since a number of countries, particularly in Africa and the Indian subcontinent, may require such a certificate from travellers returning from Kenya. With respect to malaria, the Nairobi area is considered a low-risk area. Persons intending to travel outside Nairobi are advised to take anti-malarial drugs according to medical instructions.

Local transport

8. The cost per kilometre for taxis was approximately KSh 15 in March 1990. Waiting time is chargeable at approximately KSh 100 per hour. Public transport is not always readily available. It is planned to operate a shuttle service at cost between various hotels and the United Nations Office at Nairobi. Details will be communicated to you in Nairobi.

Climate and clothing

9. The period 6-31 August coincides with Nairobi's cool season. It is very cool, cloudy and dry during the day and the nights are cold. The average monthly rainfall is approximately 25 mm (1 in.), with most of the rain falling as early morning drizzle. The average maximum temperature in August is 21° C. The average minimum temperature in August is 10° C, but temperatures as low as 3° have been recorded.

10. Medium weight clothing is appropriate for the month of August, with sweaters and wraps for the evenings.

Local currency and foreign exchange facilities

11. The basic unit of currency is the Kenyan shilling, which is divided into 100 cents. There are copper coins of 5 cents and 10 cents, and nickel coins of 50 cents, 1 shilling and 5 shillings. Notes are issued in denominations of 10, 20, 50, 100, 200 and 500 shillings.

12. There is no limit to the amount of foreign bank notes or traveller's cheques which visitors may bring with them into Kenya. However, at the time of arrival, they should be careful to declare to the Customs authorities all the foreign currency in their possession. On departure, visitors may reconvert their unused shillings only at the airport bank, on the basis of their foreign currency declaration and bank receipts for each amount converted into shillings.

13. The export of Kenyan currency by visitors is strictly forbidden.

14. The commercial banks in the city centre provide exchange facilities. Most banks are open between 9 a.m. and 2 p.m. from Monday to Friday, and between 9 a.m. and 11 a.m. on the first and last Saturday of the month. Hotels also offer exchange facilities. For those who may need Kenyan currency immediately on arrival, the banks at Nairobi International Airport, open daily from 7 a.m. to midnight, will change foreign currency into Kenyan shillings.

15. Kenya shilling exchange rates in March 1990 were approximately the following:

1 United States dollar	KSh 23.00
1 French franc	KSh 4.00
1 pound sterling	KSh 38.00

Voltage

16. The electricity supply is 240 volts, 50 cycles AC, triple-phase. Sockets are usually of the three-prong, square-pin type; adapters are available locally.

MEETINGS ARRANGEMENTS

Opening meeting of the Preparatory Committee

17. The opening meeting will take place at 3 p.m. on Monday, 6 August in Conference Room 2, preceded by a meeting of the Bureau at 10 a.m. in Room 1.

Daily timetable

18. Meetings will take place from 10 a.m. to 1 p.m. and from 3 to 6 p.m. The daily programme will be posted on notice-boards and will also be included in the daily Journal.

List of participants

19. The provisional list of participants will be issued as soon as possible after the opening meeting when registration has been completed.

Distribution of statements

20. It is helpful if texts of prepared speeches are made available to the secretariat in advance of delivery. Seventeen copies of the texts should be handed to the Conference Officer for the use of the secretariat. Delegations wishing to have the texts of their representative's statements distributed to participants are requested to provide the Conference Officer with 250 copies.

Distribution of documents

21. Documents relating to agenda items under consideration will be available at documents counters in the meeting rooms.
